We are Carnival of and for the masses.

ABOUT LES FOUS DU CARNAVAL

Les Fous du Carnaval is a community of like-minded krewes with shared ideals consisting of the krewes of Flora & Fauna, Hellarious Wingnuts, and Goddesses. We organized in 2021 and launched our first parade in 2022. We are not bound by a single captain—each inner krewe has equal input and a safe space to shape our future. We are iconoclastic and inclusive and strive to represent the true diversity of our city within our membership ~~except for the local nobility who, in the true spirit of the origins of Mardi Gras, can all get bent~~ and keep Carnival equitable, accessible, and affordable for all. We are lovers, not fighters. We bow down to no ruler. We are Carnival of and for the masses.

ABOUT KREWE OF HELLARIOUS WINGNUTS

The Krewe of Hellarious Wingnuts celebrates all the wingnuts out there! From your baby cousin to the girl down the block, from yo' mama to your ownself.

ABOUT KREWE OF GODDESSES

[Krewe of Goddesses](#) is a social aid & pleasure club that works towards the empowerment of the female identity, body positivity and sex positivity through outreach and activism in our community. Founded in 2011, the mission of the Krewe of Goddesses is to create a safe space where all members feel valued and have the support and encouragement to be their creative and authentic selves. We acknowledge that we have continual work to do in order to be strong allies as we strive to be truly anti-racist and anti-sexist and fight for a just society. Our roots lie in taking back our sexuality and bodies from a culture that is often more fearful of sexuality than violence. We work to change that perception and have a lot of fun along the way. Our krewe is woman-centric, but we have grown to include not only women but also men and trans persons from all class, religious and diverse backgrounds. We believe in the Universal Whole and respect those who are multi-sexual and all that are in touch with the Divine Feminine and Divine Masculine.

ABOUT FLORA & FAUNA

Flora and Fauna brings a resplendent biome, honoring the beasts and beauty of nature through carnival magic. From the icy tundra to the steamy jungle, our krewe embraces individual expression of animal and

plant spirits, joining together to revel in the wild streets of New Orleans. Flora and Fauna was formed in 2018, evolving from the Krewe of Muumuu and Krewe du Krakatoa. After deep soul searching, a choice was made to abandon the colonizer glorification of polynesian culture and instead glorify the beauty of the natural world.
